Welcome to your Rutland police e-newsletter. Here you will find all of the latest news from a Rutland policing perspective and crime prevention advice to help keep yourself safe.

Out on the beat

PCSO Lauren Lyall and PC Kimberlee Newman have been out and about patrolling their beat which covers Oakham town centre and Barleythorpe.

They visited areas of concern (as reported by members of the community), around Braunston Road, the Co-op, Oakham castle grounds, the railway station and then onto Kilburn end. Whilst conducting their patrols they spoke to the drivers of three vehicles in relation to the standard of driving and vehicle roadworthiness.

Lauren and Kimberlee patrolled the wooded area around Catmose College looking for drug users and drug paraphernalia. They engaged with youths at Cutts Close to discuss ASB issues.

If you have any concerns about your neighbourhood you can make contact with your officers by reporting online or by ringing 101.

Be aware

Over the last few days there have been two vehicles stolen from the Oakham and Ashwell areas. In these instances the vehicles targeted were Range Rovers that have the keyless entry system. Purchasing a defender signal blocker for your keys will help to protect your vehicle from any relays that criminals use to gain entry to the vehicle.

Defender signal blockers as shown here can be purchased online or if you happen to be visiting Melton Mowbray we have them for sale for £3 from the Front Desk at Melton Mowbray Police Station.

Neighbourhood Link

Neighbourhood Link is a free, e-mail messaging service for people who live and work in Leicester, Leicestershire & Rutland. It's managed by Leicestershire Police and used by our partner organisations such as Action Fraud and Neighbourhood Watch. Our communities play a crucial part in helping us prevent and detect crime and anti-social behaviour.
