Following the PC meeting I have been investigating the costs of bulbs (as the free bulbs have run out). The cheapest is Amazon.

Please can I have your permission to purchase 2x standard bulbs 100 (@£24.95 per bag) 2x dwarf 50 (Kind Edwards way pathway) @£12.95 each

I have had 3 volunteers and will issue the builds and maps to the volunteers to plant in their own time.

Kind regards

Juliet
