Subject: RE: Multiply courses for Rutland

Dear Sue,

This sounds a very good idea. The best way would be to send a message to the clerks of North Luffenham, South Luffenham, Empingham and Edith Weston and I have included them in the email. They would bring this up in correspondence for their PCs to discuss.

You are welcome to come to our PC meeting in North Luffenham on 16-08-23 at 7pm in our Community Centre. If this doesn't work for you we could try and meet up and discuss your proposal.

Kind regards

Tim

Subject: Multiply courses for Rutland

Dear Cllr Smith

I work for the Council's Adult Learning Service (RALSS), based at Oakham Enterprise Park, and am promoting the free courses we can offer to adults over the age of 19. These courses come under the heading of Multiply and are free. I really want to reach those residents who may not get into Oakham or the Enterprise Park and set some courses up in the villages.

We have a course running at present in Exton village hall, teaching Digital Skills, and I am looking for some support within other Rutland villages. As councillor for Normanton ward, I wondered if you could advise me on how best to approach your ward to enable them to engage with the courses we can offer.

We have a budget to hire village halls, we offer a wide range of activities and learning experiences and the criteria is for participants to be over 19 and either not have a level 2 maths qualification or be working below that level now.

I would be happy to meet with locals from the community in any of the villages to try and facilitate running courses in the areas if you can suggest likely candidates.

Looking forward to hearing from you,
Yours sincerely

Sue Brown
